[Conference Materials](#)

Join us on October 24 and 25 for the estate planning seminar for attorneys, accountants, certified life underwriters, bank trust and investment officers, financial advisers, and other wealth planning professionals. The seminar will provide attendees with most current information regarding the tax, legal, and financial issues concerning estate planning and trust and estate administration. The program includes a series of individual presentations, lunch, breakout sessions, and an afternoon reception. CLE credit hours offered.
