IMPORTANT ACTION ITEMS!!!

THINGS TO DO BETWEEN NOW AND ORIENTATION

We will register you for classes in early August following the financial clearance deadline. However, your registration will not be complete until you do all of the following:

- Pay tuition or have your financial aid in place by the **July 15** financial clearance deadline. If you have not already done so, be sure to accept your financial aid on [eCampus](#). If you are applying for a Federal Direct PLUS Loan for 2019-2020, please do so **beginning July 1**. You can use this anticipated aid to clear your tuition balance. For information about payment methods go to the [Bursar's Office](#) page. Remember the financial clearance deadline is the **due date** not the postmark date.
- Complete the online Financial Aid [Entrance Counseling](#) and sign the [Master Promissory Note \(MPN\)](#) for the unsubsidized Federal Direct Loan and Federal Direct PLUS Loan **beginning July 1**. Your federal financial aid will not disburse into your account and you will not be able to obtain your refund until you have done both. We strongly recommend that you do this at least two weeks prior to coming to campus.
- Students requesting accommodations must register with Disabilities Resources (DR) by completing the online application at www.scu.edu/disabilities. Once the student has provided all the necessary documentation and completed the application, DR will review the submitted materials and follow up accordingly. If the submitted materials are sufficient to establish accommodations at SCU, DR will contact the student regarding scheduling an "Intake Appointment." The Intake Appointment will take approximately 45 minutes and will cover an overview of DR services, procedures, expected student responsibility, and a detailed conversation about prescribed accommodations. Please note, all information and documentation are confidential.
- Submit an official copy of your undergraduate transcript showing the date your baccalaureate degree was conferred.

The School of Law requires that all students hold a baccalaureate degree before matriculation at Santa Clara. Newly admitted students must have their undergraduate college or university forward an official transcript showing the date the degree was conferred, directly to the Law Admissions Office. We must receive the transcript no later than the first day of orientation or you will be at risk of being administratively withdrawn from the School of Law. **Students who fail to resolve an outstanding transcript issue by October 1 will be administratively withdrawn from the School of Law, and will be responsible for all tuition due as a result of the withdrawal.** Note that students who are administratively withdrawn will have their scholarship offers rescinded, and their federal aid subject to Return to Title IV calculations, which could result in an outstanding tuition balance.

HEALTH HISTORY AND IMMUNIZATION RECORD

All Santa Clara students have a *MySCU Portal*. To access the *MySCU Portal* you will need your SCU username and password. All new students enrolled in Santa Clara University must go to the *MySCU Portal*, select the *Cowell Center My Student Health Portal* and **complete their Personal Health History** form as well as upload an official copy of their **immunization record**. It is each student's sole responsibility to complete both of these forms. (*continued on next page*)

☐ **HEALTH INSURANCE**

Purchase the University sponsored health insurance (www.scu.edu/cowell/insurance) plan or complete the online waiver form (www.scu.edu/cowell/insurance) by the ***August 23, 2019 deadline date***. All students will be subject to the process below:

- **After June 24, 2019** - Online Health Insurance Waiver form **must be completed by August 23, 2019** in order to have the health insurance charge reversed from the student account within 3-5 business days.

ACCESS Card: Your Student ID

The ACCESS Credential is Santa Clara University's official campus ID, library card, debit card and personalized key to hundreds of SCU facilities. The Law School requires all Law students to obtain an ACCESS Credential for use at the Charney Law Library and to show as ID for all exams.

Eliminating the need to carry cash, the ACCESS credential is accepted at all campus restaurants, vending machines, photocopiers, networked printers, libraries, the bookstore, and many local merchants. It can even save you California sales tax at campus dining venues if you utilize a meal plan.

The ACCESS Office provides an online photo submission option that will save you valuable time. At the beginning of July, an email titled "Salutations from Online Photo" will be sent to your SCU.EDU address with easy instructions for you to submit your own current passport image. Please make sure to review [image requirements](#).

Law Students **must** select the option of having a **physical card** created for them. The mobile credential option is not yet available to law students.

All students with approved images will have ACCESS Card (if requested) made available during the Law School Orientation Check-In. If you are unable to use the online photo software, or miss submission deadlines, you can simply visit the [ACCESS Office](#), which is located in the lobby of the [Benson Memorial Center](#), in room 106. Please bring a U.S. government issued photo ID OR a passport to the ACCESS Office and be prepared to have your picture taken. **You must have your photo submitted and approved by August 23 to be included in the School of Law Student Directory.**

IMPORTANT

Federal regulations require that students on an F1 Visa have both a local and foreign address on file. It is imperative that you verify and maintain these addresses. It is your responsibility to maintain your current address information on [eCampus](#). Failure to do so may cause you to fall out of status and may result in deportation.

CHARACTER & FITNESS: Honesty, integrity, and a sense of mutual trust are essential to the legal profession. A law student shall act with honesty and candor and fulfill obligations of good faith and fair dealing in relations with peers, University faculty and staff, and the professional legal community at large. All students must pass a character and fitness review through the state bar to be licensed as an attorney. The bar looks unfavorably on incomplete character and fitness information on your original law school application, they view updates and amendments suspiciously. Please be sure that you have fully disclosed and explained any academic discipline or issues with the law. Refer to your state's bar association web page for more information.

CAMINO/CANVAS: Once you are registered for a class, you will have access to class information such as syllabus and first assignments on Camino. To log in, follow the instructions on this page: <https://www.scu.edu/login/>

The [Student Health Services](#) will have limited hours from August 19, 2019 through September 13, 2019. Please call 408-554-4501 for more information.

Beginning Monday, September 16, 2019, the Student Health Services will return to its normal working hours of Monday through Friday 8:30 a.m. to 5:00 p.m. The Cowell Center will also periodically close for staff meetings. Please call the Cowell Center or visit their website at www.scu.edu/cowell/ for more information.

During after hours when the Student Health Services is closed, students may access medical guidance by calling the Nurse Advice Line at 408-554-4880. A report of your call will be faxed to the Center when it reopens and follow-up care will be given when needed. The Nurse Advice Line is closed during the summer and reopens on August 19, 2019.

COUNSELING AND PSYCHOLOGICAL SERVICES (CAPS) AT THE COWELL CENTER
Cowell Counseling and Psychological Services (CAPS) provides psychological counseling, group counseling, crisis counseling, educational workshops, and consultation and programming services to Santa Clara University students. When necessary, students may be referred to the community for continued care.

The clinical staff consists of licensed psychologists and supervised pre-doctoral interns/trainees. CAPS is staffed by pre-doctoral interns during the summer months and CAPS will officially open with all of its professional staff on September 3, 2019.

For more information, please visit CAPS website at www.scu.edu/cowell/.

Official administrative announcements are sent via e-mail, and students are responsible for checking their e-mail regularly and keeping themselves informed. An official e-mail account may be opened at any computer lab on campus. Once an e-mail has been sent to a student's official SCU e-mail account, the student is considered to have been officially notified. You will receive your SCU e-mail account information over the summer.

Your financial aid will not disburse into your account until you complete the [Entrance Counseling](#) and sign your [Master Promissory Notes \(MPN\)](#) for the unsubsidized Federal Direct Loan and Federal Direct PLUS Loan. If you will be applying for the [Federal Direct PLUS Loan](#), you should do that between July 1-11 to ensure that your financial aid will be in place by the financial clearance deadline on **July 15**.

Billing and Payment Procedures

Student Accounts and Billing

Students assume responsibility for all costs incurred as a result of enrollment at Santa Clara University and agree to abide by applicable University policies and procedures. Students may designate a third party (e.g., parent, family member, spouse) to be an Authorized User for the purpose of reviewing student account/billing information and remitting payment on the student's behalf. However, it is ultimately the student's responsibility to make sure all financial obligations are completed by the published deadlines.

Students receive monthly billing statements electronically via a third party vendor that are accessible through eCampus. A billing notification email is sent to the student's SCU gmail account and to the email address of any Authorized User. Students may also forward their billing statement(s) electronically to any third party they authorize for remittance. Please note that information on a student's account cannot be provided to any third party payer unless a completed Family Educational Rights and Privacy Act (FERPA) form authorizing its release by the student is on file with the University.

Students are obligated to pay the applicable tuition and fees associated with their enrollment status by the published term payment deadline. Students enrolling after the initial payment deadline may be required to pre-pay for their enrollment. **Registered students who do not withdraw formally from the University are responsible for all tuition and fees assessed to their account, as well as any penalty charges incurred for nonpayment. Nonattendance does not relieve the student of his or her obligation to pay tuition and fees.**

Additional information, including detailed instructions on Santa Clara's billing and payment procedures, is located on the Bursar's Office website at: www.scu.edu/bursar.

Payment Methods

Santa Clara University offers a variety of payment methods to students to assist with their financial obligations. Please visit our Bursar's office website for additional payment information:

<https://www.scu.edu/bursar/paymentoptions/>

Payment by Electronic Check

A student or Authorized User can make online payments by processing a fund transfer directly for their *personal* checking or savings account through a third party website accessible via the University eCampus system. The payer is able to make electronic payments without incurring a transaction fee.

Payment by Mail

Payment for student account charges are accepted by mail utilizing the University's cash management service lock box. Please enclose a paper check or cashier's check made payable to Santa Clara University; and a copy of the billing statement and mail it to: SCU Payment Processing, P.O. Box 550, Santa Clara, CA 95052-0550.

Payment in Person

Payment for student account charges may be made in person by cash or check only at the OneStop Office, located in the Admissions & Enrollment Services Building. The OneStop office is not able to accept any electronic forms of payment. However, there are computer kiosks located within the office for the convenience of students and their payers who wish to make electronic payment. Regular business hours are Monday-Friday, 8:30 am-5:00 pm.

Term Payment Plan

Students currently enrolled at SCU may be eligible to enroll in a monthly payment plan to assist with budgeting needs, on a term basis. There is a \$40 non-refundable enrollment fee per term and students must have a US bank account to enroll in a term plan. The first payment is due upon enrollment and all subsequent payments will be processed automatically each month thereafter. Plans are subject to rebalancing based upon changes in enrollment and/or financial aid. Participants must enroll each term; there is no automatic re-enrollment. Please note there are no payment plans for the summer session.

International Payment by Wire Transfer

International students may submit payment quickly and securely by going to www.flywire.com/pay/scu. Students are able to benefit from excellent exchange rates and payment can often be made in the student's home currency.

Delinquent Payments

If all charges on a student's account are not cleared by payment, financial aid, or loan disbursement by the payment deadline, a late payment fee will be assessed to the student's account and a hold will be placed on the student's record. A hold on a student's record prevents the release of transcripts or diplomas, prevents access to any registration services and may limit access to other University services. Students who have unpaid accounts at the University or who defer payment without approval are subject to dismissal from the University. All unpaid balances will accrue ten percent interest per annum on the balance remaining from the date of default in accordance with California State law.

Delinquent student accounts may be reported to one or more of the major credit bureaus and may be forwarded to an outside collection agency or an attorney for assistance in recovering the debt owed to the University. The student is responsible for all costs incurred to collect outstanding debt, including but not limited to accrued interest, late fees, court costs, collection fees, and attorney fees. All outstanding bills and costs of collection incurred by the University must be paid in full *prior to* a student re-enrolling at the University.

Billing Disputes

If a student wishes to dispute any charges on his or her billing statement, a written explanation should be forwarded to: Santa Clara University, Bursar's Office, 500 El Camino Real, Santa Clara, CA 95053-0615. The Bursar's Office must receive written correspondence within 60 days from the billing statement date on which the item in question appeared. Communication can be made by telephone, but doing so will not preserve the student's rights.

Communication should include the student's name, SCU identification number, the amount in question, and a brief explanation. Payment for the amount in question is not required while the investigation is in progress; all other items not in question must be paid by the due date. If the amount in question is found to be correct, payment must be submitted to the Bursar's Office immediately upon notification.

Tuition Insurance Protection

Students and families may protect themselves against financial loss due to unexpected withdrawal from the University, for medical or mental health reasons, by purchasing tuition insurance coverage. The University has identified an insurance company, A.W.G. Dewar Inc., to provide an optional insurance protection plan. This plan is designed to protect from loss of funds paid for tuition should it be necessary to withdraw completely from the University during the term for medical or mental reasons. Information on the tuition insurance plan can be found at www.collegerefund.com and available on the Bursar's Office website at www.scu.edu/bursar/tuitionprotection.

Tuition Refund Process and Policy

Process – Students may be eligible for a refund if there is a credit reflecting on the account. The refund process will begin after week 1 of the term. Below is the criteria for refunding purposes:

- Account must reflect a credit balance
- Student cannot be enrolled in a payment plan
- Encumbered time has lapsed (14 calendar days for paper check, 7 calendar days for online payment)
- Payment by wire transfer will be returned via the same method
- Payment from third parties will be refunded to the originating source
- No refunds for overpayments made on an account, unless student drops or withdraws

Policy – Students who formally withdraw from the University or drop courses are eligible for a tuition refund in accordance with the policies outlined below. No refunds are made for any fees.

The effective date used for the determination of any refund of tuition is the date on which notification of withdrawal is received by the student’s respective Records Office, not the last date of attendance by the student. Neither dropping all courses via eCampus nor informing an individual faculty member, an academic department, or the Dean’s Office constitutes an official withdrawal from the University. The official date of withdrawal from the University cannot be backdated prior to the date on which the student submits the applicable withdrawal form or notification to Law Student Services. The Records Office for the Law School is Law Student Services (lawstudentservices@scu.edu or 408-554-4766).

Fall and Spring Semesters

Students who withdraw from the University, drop courses, or are approved for a leave of absence, during the fall or spring semester, will receive a tuition refund in accordance with the following:

The start of the semester is considered to be the first date on which instruction begins in the School of Law.

– Students who withdraw from the University or drop courses by the end of the first week of classes will receive a 100% tuition refund, less any applicable fees, for the semester.

– Students who withdraw from the University or drop courses by the end of the second week of classes will receive a 60% tuition refund, less any applicable fees, for the semester.

– Students who withdraw from the University or drop courses by the end of the third week of classes will receive a 40% tuition refund, less any applicable fees, for the semester.

– Students who withdraw from the University or drop courses by the end of the fourth week of classes will receive a 20% tuition refund, less any applicable fees, for the semester.

– Students who withdraw from the University or drop courses after the fourth week of classes will receive no tuition refund for the semester.

Please note: Students may drop courses on eCampus until 11:59 p.m. on the Sunday immediately following the beginning of the semester and still receive 100% refund. However, this is only valid if a student has no registration holds and does not require assistance from a staff member. All other transactions must be completed by 5 p.m. on the first Friday of the semester.

Summer

Students who drop a course(s) during the summer term are eligible for a refund of tuition charges in accordance with the policies outlined below. No refunds are made for any fees.

– Students who withdraw from the University or drop courses by the end of the first week of classes will receive a 100% tuition refund, less any applicable fees, for the term.

– Students who withdraw from the University or drop courses by the end of the second week of classes will receive a 50% tuition refund, less any applicable fees, for the term.

Weekend/Off Cycle/Short-Term Courses

Students must provide the Law Student Services Office with a written request to drop these courses. To receive tuition refunds from the Bursar's Office, these course drops must be handled administratively. Students should NOT drop these classes themselves through eCampus after the first week of the semester. Consult the schedule of classes for refund options for individual off cycle courses.

Financial Hardship

Students who withdraw from the University or drop courses due to an illness, injury, or psychological/emotional condition are eligible for a tuition refund in accordance with the schedule above. Tuition insurance may be purchased to cover tuition charges for medically related withdrawals that occur after the first week of the semester.

Santa Clara University degree students who withdraw from the University or who are administratively withdrawn from the University after the fourth week of the semester due to a qualifying financial hardship may be eligible for an allocation from the student hardship fund for 20 percent of the tuition charges for that term. Qualifying financial hardships include: (1) death, disabling injury, medical emergency, (2) loss of job by an independent student, (3) medical or other emergency involving a dependent of an independent student, and (4) student deployment for active military duty. The Vice Provost for Student Life or designee, in consultation with the Financial Aid Office, will determine qualifying financial hardships and any allocation from the student hardship fund. Students must submit a request for an allocation from the student hardship fund by the end of the applicable term.

No tuition refunds are made because of curtailed services resulting from strikes, acts of God, civil insurrection, riots or threats thereof, or other causes beyond the control of the University.

Financial Aid

Santa Clara University School of Law offers financial assistance to law students administered through the Law Admissions and Financial Aid Office and the University's Financial Aid Office. Depending on the student's eligibility, a financial aid package may include a combination of scholarships and loans.

Enrollment Status, Satisfactory Academic Progress and Federal Aid Eligibility

To remain eligible for federal financial aid, students must be enrolled at least half-time and must be making satisfactory academic progress.

Half-time Status

Fall and Spring Semesters:

- 6 units per semester*

Summer:

- 3 units

*NOTE: Other School of Law academic policies require enrollment above these minimums, per semester. Please consult the [Degree Programs](#) section of the Bulletin for more information.

Eligibility for scholarships and loans may be affected by changes in enrollment. Financial aid recipients who switch from a full-time to part-time course load, or vice versa, must inform the Law Admissions and Financial Aid Office.

Students who drop below half-time must notify the Law Admissions and Financial Aid Office immediately. Students who drop below half-time for more than six months, or take a leave of absence for more than six months may need to begin making payments on their student loans. Students may contact their loan servicers to request deferment or forbearance if they cannot afford to make payments during this period.

Satisfactory Academic Progress

J.D. students are required to maintain a minimum cumulative 2.33 grade point average for all completed courses in order to avoid disqualification. If a financial aid award has been made to a student who disqualifies, the award offer will be withdrawn.

A disqualified first-year student who is readmitted following successful completion of the First-Year Law Students' Examination will be considered to be in good standing for financial aid purposes, but any previously withdrawn financial aid award offer will not be reinstated.

Federal Aid Eligibility

In order to be eligible for financial aid students must meet the following criteria:

- be a U.S. citizen or [eligible non-citizen](#) enrolled or accepted for enrollment in a degree or certificate program of study at least half-time
- make satisfactory academic progress
- not be in default on a federal student loan
- not owe a refund on any federal financial aid grant
- have a valid Social Security number
- be registered with [Selective Service](#) (if required)

NOTE: Students with [criminal convictions, including drug offenses](#), may have limited eligibility for student aid.

Students should file the [Free Application for Federal Student Aid \(FAFSA\)](#) annually. Santa Clara University's school code is 001326.

Determining Financial Need

Need-based financial aid is determined from the information gathered from the FAFSA. The Law Admissions and Financial Aid Office takes the total cost for attending Santa Clara University School of Law for an academic year (including room, board, books, supplies, local transportation, loan fees and personal expenses) and subtracts the Expected Family Contribution (EFC). The result is a student's demonstrated financial need.

Calculating Financial Need

Cost of Attendance minus Expected Family Contribution (EFC) equals Financial Need

Cost of Attendance

[Cost of Attendance](#) is the estimated amount it will cost to attend Santa Clara University for one academic year.

Expected Family Contribution

The [Expected Family Contribution \(EFC\)](#) is the amount that a student and a student's spouse (if married) are expected to contribute toward the student's education. This amount is determined according to a standardized formula established by the federal government known as federal methodology (need-analysis formula) and is based on the information reported on the Free Application for Federal Student Aid (FAFSA).

Federal Aid

Federal Work-Study

[Federal Work-Study](#) allows graduate students to earn money to help cover non-billable educational expenses by working at Santa Clara University or at authorized nonprofit organizations.

- Need-based
- FAFSA required

Federal Direct Loan

The [William D. Ford Federal Direct Loan](#) program provides low-interest loans for graduate students to help pay for their educational expenses.

- Non need-based
- FAFSA required
- Must be enrolled at least half-time
- 2019-2020: 6.079% interest rate
- 1.062% origination fee for loans with a first disbursement date on or after October 1, 2018 and before October 1, 2019

- Unsubsidized
- 6-month grace period before repayment
- Must complete [Entrance Counseling](#) and a [Master Promissory Note \(MPN\)](#)

Graduate Federal Direct Loan Limits

- \$20,500 annual borrowing limit
- \$138,500 maximum aggregate borrowing limit

When considering borrowing a federal student loan, students should also understand [repayment options](#).

Federal Direct PLUS Loan

The [William D. Ford Federal Direct PLUS Loan](#) provides an additional borrowing option for graduate students.

- Non need-based
- FAFSA required as well as a credit check
- Must be enrolled at least half-time
- 2019-2020: 7.079% interest rate
- 4.248% origination fee for loans with a first disbursement date on or after October 1, 2018 and before October 1, 2019
- Unsubsidized
- Must complete [Entrance Counseling](#) and a [Master Promissory Note \(MPN\)](#)

After completing the [Free Application for Federal Student Aid \(FAFSA\)](#), and receiving a Financial Aid award from the Financial Aid Office, students may apply for a Federal Direct PLUS Loan at [StudentLoans.gov](#).

NOTE: Students who are denied a Federal Direct PLUS Loan due to credit issues, have the following options:

- They may be approved with an endorser (co-signer)
- They may appeal the credit decision directly with the Direct Loan Department at [StudentLoans.gov](#) or by calling 1-800-557-7394.

When considering borrowing a federal student loan, students should also understand [repayment options](#).

Veterans and Veterans' Dependents Assistance

Santa Clara University has been certified by the Department of Veterans Affairs as qualified to enroll students under applicable federal legislation and regulations, including Chapter 30/1606 (active duty Montgomery G.I. Bill), Chapter 31 (rehabilitation), Chapter 33 (Post 9/11 GI Bill), and Chapter 35 (Survivor/Dependent Educational Assistance). Individuals interested in attending under any of the veteran's assistance programs should contact the Veterans Administration and consult with our [Veteran's Support Services](#) team.

Private Aid

Private Scholarships

In addition to Santa Clara University, there are scholarships sponsored by corporations, civic organizations, religious organizations and other groups.

NOTE: Students awarded a scholarship from an outside organization, should provide the donor with our contact information. All correspondences and scholarship checks should be sent to the Law Admissions and Financial Aid Office.

Private Educational Loans

[Private Educational Loans](#) allow law students who have exhausted or who are ineligible for federal aid an alternate means of borrowing to help pay for their educational expenses. Law students often borrow private loans to help cover expenses while studying for the bar exam. Private loan providers have their own application and repayment terms. Students should review all terms and disclosures before applying for one of these credit-based loan alternatives.

Financial Aid Cancellation and Return of Funds

Students who withdraw from the University and who have federal financial aid are subject to the federal regulations applicable to the return of Title IV funds. These regulations assume that a student earns his or her financial aid based on the period of time he or she remains enrolled during a term. A student is obligated to return all unearned federal financial aid funds governed under Title IV other than those earned under the college work-study program.

Unearned financial aid is the amount of disbursed Title IV funds that exceeds the amount of Title IV aid earned in accordance with the federal guidelines. During the first 60 percent of the term, a student earns Title IV funds in direct proportion to the length of time he or she remains enrolled. That is, the percentage of time during the term that the student remains enrolled is the percentage of disbursable aid for that period that the student has earned. A student who withdraws after the 60 percent point of the enrollment term earns all Title IV aid disbursed for the period.

All funds must be returned to federal programs before funds are returned to University financial aid programs or to the student. The return of funds allocation (excluding aid funds not applicable to law students) will be made in the following order for students who have received Federal Title IV assistance.

- Unsubsidized Federal Direct Loan
- Federal Direct PLUS Loan

Exit Counseling

Federal student loan borrowers who are graduating, leaving school or dropping below half-time enrollment are required to complete exit counseling. Direct Loan borrowers will need to complete exit counseling at studentloans.gov. Students will be notified when this requirement should be completed.

Verification

[Verification](#) is the process established by the U.S. Department of Education to check the accuracy of aid applications. Students selected for verification will need to provide the specific documentation required for independent students.

Participation in the verification process is not optional. Students who do not submit the requested documentation will not be eligible to receive federal financial aid.

NOTE: Failure to meet the verification deadline may result in aid not being reinstated. Any delays in sending documentation may result in students not having aid by the beginning of the academic term. In this case, it is the student's obligation to pay the account balance on their student account.

Scholarships
