Welcome to Santa Clara Law! While we wish we could welcome you to campus in person, we have prepared some online resources for you.

**Charney Hall Tours**
This narrated overview will give you [An Introduction to Charney Hall](https://example.com).

Meet Maria Palomares ‘19 in a guided tour of our law school building, Charney Hall. The video also has VR built in so you can pan around in each frame.

**Santa Clara University Tour**
You will need to provide some registration information to view this [virtual tour](https://example.com), but it will show you the whole campus. Keep in mind this tour is geared toward the undergraduate audience, so the residence halls and some of the buildings aren’t ones you would be in much as a graduate student.

**Meet Current Students**
Join us for our virtual student panels so you can meet current students and ask them about life at Santa Clara Law. You are welcome to join us for more than one session! Click on the link below to register.
